

## *“Molder of Dreams Learning Center”.*

One of the greatest blessings of the Christian life is to lead someone to Christ.

The good news is that God wants you to be an instrument. The sharing of our faith is something that Jesus commanded us to do.

The Bankal Seventh Day Baptist Church in Cebu, Philippines, opened a Pre-school for children ages 3-6 years old in the 2010 – 2011 school year. We named it the Molder of Dreams Learning Center.

We believe that this is an effective way of reaching out to the children, and their parents, for the Lord.

We require the parents to pay for the books but we offer a cheap tuition fee of Php.200.00 a month since it is a ministry of the church and not business (Php. 200.00 is about US \$4.50.).

In view of this, we need partnership.

We are asking you to support this ministry.

The school needs more educational materials, toys, and financial assistance so we can continue the ministry.

We hope you will be part of this ministry and be a joyful supporter, especially in your prayers.

Thank you and God bless!
