

## PROVISION FOR THE VISION

### Livelihood Church Project

Project: BICYCLE WITH SIDECAR

Cost: Php 6.500,00 // US \$ 150.00

**Purpose:**

A bicycle with sidecar can help jobless church members and the poorest families in the community have sufficient income to support their family needs. It can also generate church income through increased tithes. This will also be able to support the financial needs of the church for the church ministry.

Each bicycle will be the property of the church. People will rent the bicycle for Php. 20.00 a day Monday through Friday. On Saturday it will be used to bring families to church. Sunday is free. The minimum daily income from the Bicycle is Php. 200.00. **When the rental reached to the amount of the Bicycle they will no longer pay the rental for the Bicycle but they will be required to give their tithes to the church.**

Investing just once will generate income for the church and community as long as the bicycle is in good condition. It will be a great help to the church ministry as well as to the jobless family.

Calculation: To begin with, we would like 5 bicycles.

5 bikes x 20.00 a day	=	Php. 100.00 a day
100.00 x 5 days	=	500.00 a week
500.00 x 54 weeks	=	27,000.00 a year

Within a year we will be able to add 4 new bicycles. That means it will be possible for 4 more families to benefit. Please help our vision come true through your prayer and support.

Thank you . . . God bless..

Pastor Al Paypa Bankal SDB Church

To make a donation please contact the SDBWF Treasurer at [treasurer@sdbwf.org](mailto:treasurer@sdbwf.org) or use the PayPal button on the SDBWF's website [www.sdbwf.org](http://www.sdbwf.org). Please note "Bicycle with Sidecar" with your donation.

Feel free to contact our General Secretary Pr. Jan Lek at [general.secretary@sdbwg.org](mailto:general.secretary@sdbwg.org) if you have any further questions.
