

Dear Friends in Christ:

I was in Porto União last weekend in Februari to start a new TIME group. We have 22 new students here in the South. We are going to have a new class at Northeast, which will start in April, and our estimative is to have about 20 students there. We also will have a small class of 5 students in Ipanema, Minas Gerais State, which is 1,500 kilometers far from Curitiba. I will need to get some new pastor involved to help me.

Our house in Porto União is ready. Now we depend on the Bank to buy the house and to move. It will take a month, or more, to us to have an answer. It is to hard to wait....

Pastor Leonildo is going to move in the end of this month to Curitiba. The church in Porto União is in the process to call a new pastor.

Above you see the picture of the new TIME class.

God bless you.
